SEASON 2024 - 2025

Aris Limassol FC - ESG INITIATIVES

DATE: 18 OCTOBER 2024

Inclusive Matchday Experience

Participants: 10 athletes

Beneficiaries: Children with disabilities and their families (15 individuals)

Investment: In-kind contribution

→ Description

Aris Limassol organized an inclusive matchday experience, involving children with disabilities in the pre-game activities and team walkout. The initiative created a memorable and empowering moment for participants and promoted visibility and inclusion within the sport.

More Information: <https://www.instagram.com/reel/DBRGC-GtOx0/?igsh=MXNrajZ6ZHU0aDc4Mg%3D%3D>

→ Evaluation

This initiative actively promotes inclusion and challenges barriers faced by people with disabilities in sport. It holds strong potential for regularization as a recurring inclusive fixture or partnership with accessibility-focused organizations.

DATE: 5 NOVEMBER 2024

Movember Awareness

Participants: 1 athlete

Beneficiaries: General public and male fanbase

Investment: In-kind contribution

→ Description

As part of the Movember campaign, Aris Limassol and one of its players participated in an awareness initiative to promote men's health. The video, in collaboration with a local grooming provider, helped communicate the significance of the cause in an accessible and engaging way.

More Information: <https://www.instagram.com/reel/DBRGC-GtOx0/?igsh=MXNrajZ6ZHU0aDc4Mg%3D%3D>

→ Evaluation

This initiative contributes to public health advocacy by normalizing conversations around men's health and encouraging preventative care. It could be developed into a seasonal awareness campaign with educational content or screenings in future iterations.

UEFA POLICIES AND SUSTAINABLE DEVELOPMENT GOALS

DATE: 20 NOVEMBER 2024

Stadium Tour for Students

Participants: Club Mascot

Beneficiaries: 40 Students from a local school

Investment: In-kind contribution

→ Description

Aris Limassol welcomed students from a local school for a stadium tour at Alphamega Stadium. Accompanied by the club mascot, the children explored the venue, engaged in a fun experience, and received small gifts from the club.

More Information:

https://www.instagram.com/p/DCI2Dxatqlz/?img_index=4&igsh=MWk2eno1NzJhd2xlbQ%3D%3D

→ Evaluation

This initiative fosters early engagement with sport in a safe and positive environment, promoting inclusion, education, and club-community connection. It has strong potential for regularization as part of a youth outreach or schools program.

DATE: 13 FEBRUARY 2025

Support for Young Olympian

Participants: N/A

Beneficiaries: 1 young elite female athlete

Investment: In-kind contribution and financial support (sponsorship)

→ Description

Aris Limassol announced a partnership with Marilena Makri, a U21 European Champion and two-time Olympic sailor. The initiative reflects the club's commitment to supporting young talent and women in sport through both visibility and financial sponsorship.

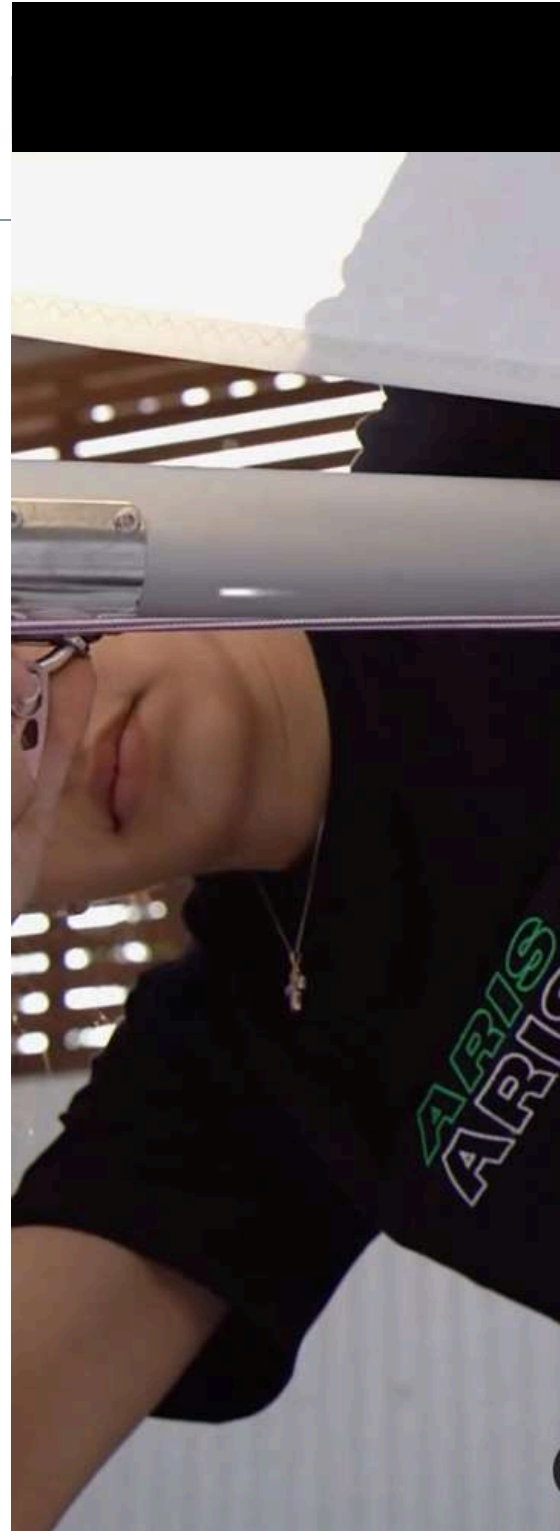

More Information:

<https://www.instagram.com/reel/DGAgQ5mNvRu/?igsh=ZTFuaGZqMzU1dmFl>

→ Evaluation

This initiative promotes gender equality and youth development in elite sport. It supports the athlete's professional journey while reinforcing the club's values of inclusion and excellence. It could be expanded into a broader program for supporting promising young athletes, particularly from underrepresented groups.

UEFA POLICIES AND SUSTAINABLE DEVELOPMENT GOALS

Data Visualisation: Sportad

DATE: 1 MARCH 2024

Support for Cyprus Compass App

Participants: aris management system

Beneficiaries: 20 Students and app users interested in cultural heritage

Investment: In-kind contribution

→ Description

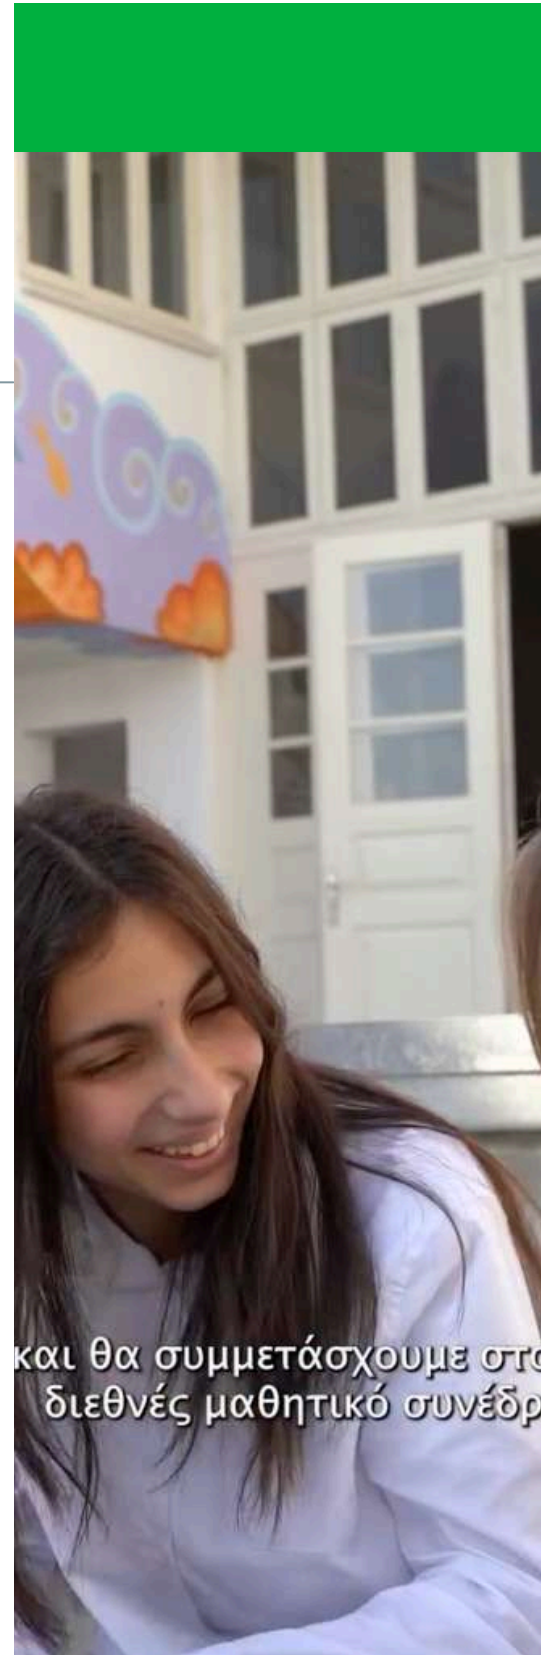

Aris Limassol supported a student-led initiative to develop Cyprus Compass, a mobile app presented at the 4th International Student Conference Veneto '25. The app highlights Cyprus's cultural heritage by providing information on monuments, traditions, and landmarks, and also features the club as part of its content.

More Information: <https://www.instagram.com/reel/DD99bIENH-f/?igsh=bml5Zjl1ajFuenZ1>

→ Evaluation

This initiative strengthens the link between sport, education, and cultural preservation while empowering youth through technology and public presentation. It can serve as a model for future collaborations that promote civic identity and heritage through sport.

UEFA POLICIES AND SUSTAINABLE DEVELOPMENT GOALS

SEASON 2024 - 2025

Aris Limassol FC - ESG INITIATIVES

DATE: 1 MARCH 2024

Donation to Social Care Foundation

Participants: Aris management system

Beneficiaries: 20 Vulnerable individuals supported by the foundation

Investment: €60,000 monetary contribution

→ Description

For the second consecutive year, Aris Limassol provided a €60,000 donation to a local social care foundation operating under the club's umbrella in collaboration with a medical institute. The foundation supports individuals in need through social services and care initiatives.

More Information: <https://www.instagram.com/reel/DD99bIENH-f/?igsh=bml5Zjl1ajFuenZ1>

→ Evaluation

This initiative delivers significant direct impact and reflects a deep institutional commitment to long-term community welfare. It could serve as a best-practice case in club-led social responsibility and sustained philanthropic programming.

SEASON 2024 - 2025

Aris Limassol FC - ESG INITIATIVES

DATE: 22 APRIL 2025

Earth Day Tree Planting

Participants: 8 athletes

Beneficiaries: Local community and environment (estimated: 200 community members)

Investment: In-kind contribution

→ Description

To celebrate Earth Day, Aris Limassol planted 150 trees in collaboration with local partners and institutions. Players, academy members, and staff joined the initiative, including a special alley of trees planted in honor of partner club Real Betis Balompié.

More Information: <https://www.instagram.com/p/DlvmzaRNPvC/?igsh=YW04ZG8yMjFiandn>

→ Evaluation

This initiative contributes directly to climate action and environmental awareness while promoting collaboration across club departments and partners. It offers strong potential for expansion into an annual sustainability event or education series on environmental responsibility.

UEFA POLICIES AND SUSTAINABLE DEVELOPMENT GOALS

Data Visualisation: Sportad

ONGOING

Recycled Jerseys Initiative

Participants: Entire team (estimated: 25 athletes)

Beneficiaries: Club operations and environmental impact reduction (indirect benefit to fans and community)

Investment: In-kind and monetary contribution

→ Description

As part of its environmental sustainability efforts, Aris Limassol collaborated with adidas to use jerseys made from recycled materials. The initiative showcases the club's commitment to reducing its environmental footprint through sustainable apparel choices.

More Information:
<https://arisfc.com/en>

→ Evaluation

This initiative enhances the club's environmental profile and sets a precedent for responsible procurement in sport. It can be expanded through fan merchandise, awareness campaigns, and further engagement with sustainable product lines.

UEFA POLICIES AND SUSTAINABLE DEVELOPMENT GOALS

ONGOING

Recycled Season Ticket Cards

Participants: Aris management system

Beneficiaries: Season ticket holders and the environment

Investment: In-kind and monetary contribution

→ Description

Aris Limassol introduced season tickets made from recycled plastic, replacing traditional materials with a more sustainable alternative. This initiative forms part of the club's broader commitment to environmental responsibility and waste reduction.

More Information:

<https://arisfc.com/en>

→ Evaluation

This action reflects a practical, low-cost shift toward circular economy principles and reduces single-use plastic. It could be integrated into a wider sustainable operations plan and used to influence fan behavior through education and awareness campaigns.

UEFA POLICIES AND SUSTAINABLE DEVELOPMENT GOALS

ONGOING

Zero Food Waste Initiative

Participants: Aris management system

Beneficiaries: Local NGOs and individuals receiving redistributed food

Investment: In-kind contribution

→ Description

Aris Limassol has launched an ongoing initiative to minimize food waste during home matches and events by collecting and redistributing surplus food in collaboration with local charities. The program aims to prevent waste while supporting vulnerable groups in the community.

More Information:
<https://arisfc.com/en>

→ Evaluation

This initiative addresses both environmental and social goals by reducing landfill waste and improving food access. With proper tracking and partnerships, it holds high potential for scalability, replication across venues, and integration into national zero-waste efforts in sport.
