INTRO

The star on our crest represents success, ambition, and excellence. Those are the principles that have been governing our team since its establishment. With your help and support, we could clean up the dust of those principles last season and then march ahead making history.

This year, we want your image to be reflected in this star. All of you that kept ARIS alive during the difficult years. The promising prospect of the team, our newly built stadium, and the lost pride we discovered again – all of this makes ARIS star brighter than ever.

Proud ARIS fans! Embrace the team's new effort by purchasing your season tickets. Once again, you will be the reason for the players to fight to win every game. Be one with the proud star. Support our team and be our own star!
